

Choir Information 2017

Welcome to Vocalize Choir 2017 and we hope you enjoy the year ahead. Keep this page handy – it can answer some of our most frequently asked questions.

Rehearsal Time: Weekly – Monday nights 7:00-8:30pm (excluding public holidays and school holidays)

Where: At Faith Lutheran Church hall, 2 Ailsa Avenue Warradale

Rehearsals: Regular attendance is helpful for everyone. We realise that some members are unable to attend every week due to other commitments; all we ask is that you attend on a regular basis. It can be difficult to catch up songs if too many rehearsals are missed.

If you are unable to attend, please let your section leader know.

What to bring to rehearsal each week: To assist with keeping your sheet music in good condition, please bring:

- ✓ a display folder for your music
- ✓ a pencil (NOT pen) for making notations on your music
- ✓ an eraser
- ✓ a bottle of water

Upon arrival at rehearsal: When you first arrive please visit the table by the door and mark your name off in the attendance book, check for notices and put on your name tag. Then take your seat ready to sing.

Doors open at about 10 to 7 – we start at 7p.m. sharp with a 15 minute warm up. If arriving late please come in quietly and take your seat. We endeavour to keep unnecessary talking during rehearsal to a minimum so we can get through a lot of music.

If You're Sick: Please stay home and get better! For your own health and safety and for that of the rest of the choir we would rather you take the night off and recover.

Membership: Members are asked to complete an annual membership form so that we have the latest information and contact details for you.

New members: We welcome anyone (16+) who would like to join us! No experience or audition necessary, and the ability to read music is not a requirement. New members are given the opportunity to try Vocalize out for two weeks before having to join as full members.

Sheet music: The sheet music distributed to members remains the property of Vocalize Choir and must be returned when requested or if you leave the choir. Please treat it with respect as sometimes we have it on loan from another source. Each member is given a membership number and this is used on music to identify who has been issued the music. The non-return of music can be very expensive for us so please let us know if you lose it. Markings in pencil only are permitted.

Help sheets: If you are unable to read music and struggle with the timing of notes etc, there is a help sheet available to put in your music folder to consult whenever needed. It includes some simple directions to assist non-music readers to understand some of the symbols used on music.

Attendance book: Please mark your name off in the attendance book when you arrive each week, and use this book to notify us of any anticipated absences or holidays, questions you may have, or suggestions. This will be on the table each week.

Performances: Performances are important to Vocalize Choir, and regular attendance helps our presentation skills. Members volunteer to attend performances on a performance schedule sheet. A minimum number is required before committing to the booking. All who have submitted their name are asked to honour the commitment and turn up to the performance.

Attending performances: Unless otherwise arranged we will make our own way there. We encourage car-pooling. If it is some distance to travel we may hire a mini bus at a small cost.

Booking a performance: All bookings for performances by the choir are done through the Choir Director. There may be a small fee for private functions, but generally we do not charge for public performances.

Performance Uniform: The performance uniform is black with an orange scarf or tie. Members need only worry about dressing in black as the orange accessories will be loaned on the day. Full length black pants/tops are encouraged but not essential. Please do not wear any extra jewellery or accessories.

Choral Folders and Uniform: On performance days you will be issued with a black choral folder and a scarf (women) or tie (men). These are on loan for performance only and must be returned at the end in original condition.

Practicing at home is an important part of learning our songs. We often provide practice tracks via our website for you to sing along to at home or in the car. We encourage extra practice. You'd be amazed at what a difference two 15-minute practices per week can make.

Taking leave or moving on: If you are going away on extended leave for more than 3-4 weeks could you notify the choir Secretary so we're aware that you are away and not left us. If you decide to move on and leave the choir you are required to return all sheet music and to inform the Secretary. Any music not returned will require financial reimbursement.

Fees: Fees are used to cover music licences, sheet music, insurance and ANCA membership as well as other expenses that may arise.
